Dear Members, Friends, and Supporters of Quincy Square Museum,

I was reading through the history of Quincy Square Museum and a date with a significant fact popped out from the page:

“In April 1996, NYS incorporated The Quincy Square Museum Association.”

This year, 2016, marks 20 Years since the official incorporation of Quincy! The twenty years does not include fifteen previous years of dedicated planning and work. Thirty-five years have passed since the first thoughts of preserving our local history, Earlville's history, in a formal way.

Quincy Square Museum is somewhat unique – not all small towns or villages have a dedicated building or organization to preserve, display, and teach their histories. What started as a small dream became a goal and then a successful endeavor. You are the ones who have made this possible. You are the ones who keep it going.

Quincy Square Museum: 20 Years since incorporating, 35 years since imagined.

Thank you for your support. Remember, there are only volunteer board members and staff. All membership dues and contributions go directly toward the museum expenses, operation, and maintenance. I hope you will renew your membership this year and continue your support in preserving our local history.

Sincerely,

Michael Kicinski, President QSMA

P.S. Please consider joining us at one of our monthly business and planning meetings!
